Dear Bill:

It was good to receive your letter of 21 July and
be brought up to date on you and your family.

By all means have your daughter, Cathleen Jane,
put my name down as a sponsor on her application to
Radcliffe. It will be a pleasure to have her do so
and I will be happy to put in a good word for a young
lady who has done so well in her studies to date.

With best wishes.

Sincerely,

SWMB

Dear Cass:

Many thanks for your letter of July 11. I was flattered at the suggestion that you might be interested in what I might write. At the moment and until my present job is over, I have made no plans, but one of these days I do hope to write something, if I find I have anything that is worthwhile that I can properly tell.

I have had a good many letters from various publishers on the subject but remain entirely uncommitted and feel I should take this position until I have some idea as to what I can and should do in the way of writing.

It was good to hear from you and I hope we can be in touch.

As ever,
